

The Pulaski County Tourism Bureau is working with an event planner for an event on a Saturday in February 2007. The date will be determined by the dining facility availability. Until we have a confirmed date, I would like for you to respond with tentative availability and room price for 2/3, 2/10, 2/17 and 2/24.

Once the date is confirmed, we will send out another request for specific room blocks. The information you provide at this time will be to assist us in verifying room availability and general rates for budgeting purposes. The current room count is 130 rooms. If you have any questions, please call or e-mail me.

Interested partners should send their information by September 25, 2006. Thanks,

Andy Thiem
