

Lodging Partners,

The Pulaski County Tourism Bureau is working with a military reunion group for September 10-14, 2008. They need 15 sleeping rooms, one hospitality suite and complimentary breakfast. They also plan to have a banquet on Saturday night for 30 people. Any interested properties should respond with room rates for all room rentals, availability of banquet space with any costs associated and room block drop dates to the Pulaski County Tourism Bureau by June 22, 2007.

If you need additional information, please contact me. Thanks,

Andy Thiem
